

Home learning tasks- Year 2 Example

Below is a grid containing a variety of short homework tasks. The children choose **at least 7** tasks to complete over the half term - **at least one per column**. Please remember to continue practicing your weekly spelling and daily reading.

Literacy	Maths	Topic	Home Learning	Citizenship
Can you create your own story about the adventures of the Iron Man? Perhaps he solves another problem in the world. He could collect all the rubbish in the oceans or eat all the weapons in the world. 	Complete the tasks on the Mymaths website. 	Can you make a model of the Tower of London? 	Be a Tudor servant for your family. Can you polish, dust or Hoover a room in your house? 	Take part in the Great British Bird Watch organised by the RSPB. It is happening on 25th- 27th January. You can download information from the RSPB website. 
Apostrophe hunt. Look in your reading book or another book at home and find as many words as you can with an apostrophe. When you have found as many as you can sort them out into 3 groups: Those that use an apostrophe as a contraction Those that show singular possession Those that show plural possession.	Learn the next stage of your times tables. Will you move up this week? 	Our PSHE value is 'following the rule of law.' Can you create a new game for the playground and write down a list of instructions and the rules so that everyone can join in. 	Find a physical activity that you and your family could do together outside. E.g. taking your dog for a walk together, go for a bike ride, 	Be an energy saver for a week! Count how many lights you can switch off every day. You could keep a tally chart to see which day you could turn off the most. Make sure no one is in the room when you do it.
Can you write a fact file about Henry VIII? How will you show this information? What headings and sub headings will you use? Don't forget bullet points and illustrations. The Hampton Court website might help you.	How many things can you find around your house that are longer than one metre. Make a list of as many things as you can. 	Can you go on a 'rock hunt' to try to find as many different rocks as you can? What type of rock are they? 	It is Chinese New Year on Saturday, 25 January. This year, it is the year of the rat. Perhaps you could make a poster about the celebration or have a meal with your family to celebrate. Don't forget to put a photo in your book if you do.	Do you have a friend or family member who has moved away to a different place? Could you send them an email, or a letter to keep in touch?
