

Little Bears News Stories 13

A busy week of learning!

We made aliens out of playdough and creative resources – check out our designs!

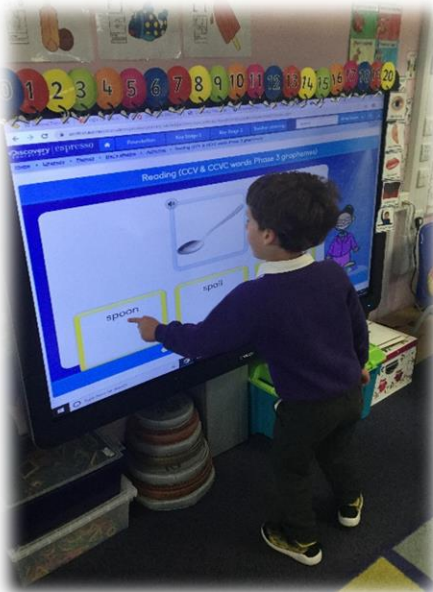

The Little Bears worked together to make a house for Harry!

We also learnt about floating and sinking and experimented with objects to see what happened to them when we put them in the water.

Little Bears News Stories 13

And here is some more of our great learning.

Mr and Mrs Green
at the shop.
Hattie

Well done everyone!
