## Red Nose Day Special

March 2019

Dear Parents/ Carers

What an amazing fund raising day we had last Friday, 15th March, to raise money for **Red Nose Day**. An amazing **£2,304** was raised and I would like to thank you all for your generous contributions to this worthy cause. A highlight for Loseley was our **'teacher swap'** which raised the lions share of the money. My successor, Oscar Fowler did an amazing job and took the role extremely seriously. Not only did he have to take over the end of the special assembly we held, dismissing the children back to class, but also then had to attend an important meeting with the School Business manager to discuss important financial business for the school. Oscar decided 'it is not a good idea to spend all the money you have for one project. It is important that we hold a little back and save up so we have enough money for when a new spending needs to happen'; good sound advice, I think you will all agree! Around the school was full of other 'mini teachers' and on my tour with Oscar we were able to see lessons which included cake decorating in little bears, PE in year 5 and geography in Year 6—all lessons planned and delivered by the children. One of my favourites was seeing year 6 have 10mins to design the best outfit using only scrap paper—the results were incredible! We are nearly at the Easter break with just Assessment Week and Parents' Consultations to go. Please don't forget to book your appointment to see your child's class teacher to find out how they have been getting on with their learning. Have a lovely Easter break.

Kind Regards, Amanda Pedder

**Teacher Swap—Oscar running the school!**

**Year 6 fashion design**

**Whole School Danceathon**

### Red Nose Day Bake Sale A BIG THANK-YOU!

Thank you all so much for your generous contributions to the after school bake sale. This was another popular event and allowed all parents to join in with the fun too!
